

First Bankers is a Leading Provider of Fiduciary Services for ESOPs/Employee Benefits, Personal Trust, and Farm Services

National Experience, Personalized Service.

Headquartered in Quincy, Illinois, First Bankers has been serving individual and institutional clients for more than 50 years. With solid core values and a proven commitment to high ethical standards, we are a leading provider of fiduciary services dedicated to earning and maintaining the trust and confidence of our clients. Our team of experienced financial, legal, and administrative professionals provide a wide range of highly specialized fiduciary services focused on ESOP/Employee Benefits, Personal Trust, and Farm Services. With more than \$8 billion in managed assets, we serve clients nationwide, with offices in Illinois, Missouri, Pennsylvania, Arizona, and Georgia.

First Bankers is a separate and wholly owned subsidiary of First Bankers Trustshares, Inc., a publicly traded holding company that also owns First Bankers Trust Company, N.A., a local bank serving the Central Illinois Region.
